LAW

The Law Undergraduate Program prepares professionals with comprehensive knowledge across multiple areas of law, emphasizing corporate law and a strong ethical foundation. It offers a modern, continuously updated curriculum that highlights research as a key pillar. The program includes mandatory courses in major legal fields and a wide range of electives that allow students to shape their own learning path. This humanistic approach equips graduates to analyze, interpret, debate, and apply the law effectively while providing socially responsible solutions from both local and global perspectives.
